Employment  
Program

# NSW Government

## Veterans Employment Workshop

A free workshop explaining the public sector job application process from initial search to interview.

For more information  
and to register:

---

“I would highly recommend doing the workshop. The skills, knowledge and information that was delivered is invaluable and really sets up veterans transitioning from ADF to civilian life into meaningful employment with NSW Government.”  
*Attendee, November 2022*

---

Free two day workshop at the Anzac Memorial in Hyde Park, Sydney or online.

# Veterans Employment Workshop

Gain practical knowledge of the NSW Government job application process, including:

- ✓ understanding the NSW Public Sector Capability Framework
- ✓ addressing focus capabilities
- ✓ interview practice and tips to make a good impression
- ✓ answering questions using the STAR technique
- ✓ utilising your lived experience and adjusting your language to civilian examples
- ✓ writing your cover letter

**70%**  
of workshop attendees get to interview for a NSW Government role.

NSW Government is the largest employer in the state. It is made up of different agencies, organisation and people working together to develop policy and deliver services across NSW.
